Government acquisition support | Operational coordination | Program & project oversight

INTEGRATE. COORDINATE. DELIVER.

Georgetown, TX | (737) 425-6480 | info@tkorionias.com | www.tkorionias.com

COMPANY OVERVIEW

Government Requirements. Integrated. Managed. Delivered.

TK Orion Integrated Acquisition Solutions LLC coordinates acquisition support, logistics and operational requirements, vendor and subcontractor activity, and program/project oversight for government organizations. Our model centers on disciplined planning, transparent communication, accountable execution, and one coordinated approach from requirement through delivery.

CORE COMPETENCIES

What We Deliver

Integrated Acquisition Support

Requirement coordination, sourcing support, vendor alignment, acquisition documentation support, and procurement planning.

Operational Coordination

Logistics, transportation, lodging, staging, resource coordination, short-term services, and administrative support.

Program & Project Oversight

Performance monitoring, schedule and risk control, quality assurance, stakeholder communication, and status reporting.

Vendor & Subcontractor Management

Supplier identification, due diligence, RFQ coordination, performance oversight, and issue resolution.

DIFFERENTIATORS

Why TK Orion

Single-Point Accountability

One coordinated integrator connecting requirements, vendors, resources, execution, and reporting.

Operational Discipline

Structured planning, documented controls, risk awareness, and attention to detail throughout execution.

Transparent Communication

Timely status visibility, issue escalation, stakeholder alignment, and clear accountability.

Scalable Delivery Model

Lean internal coordination supported by a qualified vendor and subcontractor network as requirements demand.
